Dear Parent/Carer

Year 10 – Revision Guides

I would like to offer you the opportunity to purchase Science revision guides, which will hopefully benefit your son/daughter in their Science revision.

It is important that you ensure that any guide purchased is specific to the *Edexcel* (9-1) specification. I have identified the relevant revision guides for your son/daughter that are specifically matched to the *Edexcel* specification and which represent good value for money.

I would like to offer you the opportunity to make a purchase through us so that you can take advantage of these prices. It is not, however, essential for you to purchase these resources and I would like to emphasise that the school has no links with the publisher.

As we are unable to accept cash or cheque payments, the relevant revision guides are available on your Parent Pay account. You will see an item for payment for Science revision guides and the correct book code will be set up on your son/daughter's account.

If you have not used Parent Pay before or if you have forgotten your login details, please email Mrs Strong on lstrong@tomlinscoteschool.com to be sent a temporary username and password.

The deadline for placing your orders through the school is **Sunday 10th March**. After this date, the books will no longer be on Parent Pay and the school will not be able to order on your behalf.

If you have any queries, please contact Mrs Dixon in the Science Office, hdixon@tomlinscoteschool.com

Yours sincerely

Mr R Major
