RESULTS ENQUIRES AND RETURN OF MARKED PAPERS 2019

To all examination candidates

Hopefully you will have achieved the grades you were expecting but if not it is possible to make an Enquiry About Results (EAR) and/or Access To Scripts (ATS).

Enquiry About Results (EAR)

Enquiry About Results is a service that allows you to request an additional check of an examination paper to determine if the correct grade was issued.

There are 3 possible outcomes to an EAR.

1. The original mark is confirmed as correct, so there is no change to your grade.
2. The original mark is raised, so your final grade may be higher than the original grade you received.
3. Your original mark is lowered, so your final grade may be lower than the original grade you received.

Please be aware that EARs can be a costly process and that there is no guarantee in a change of grade as the examination Boards do check examination results very carefully.

Access To Scripts (ATS)

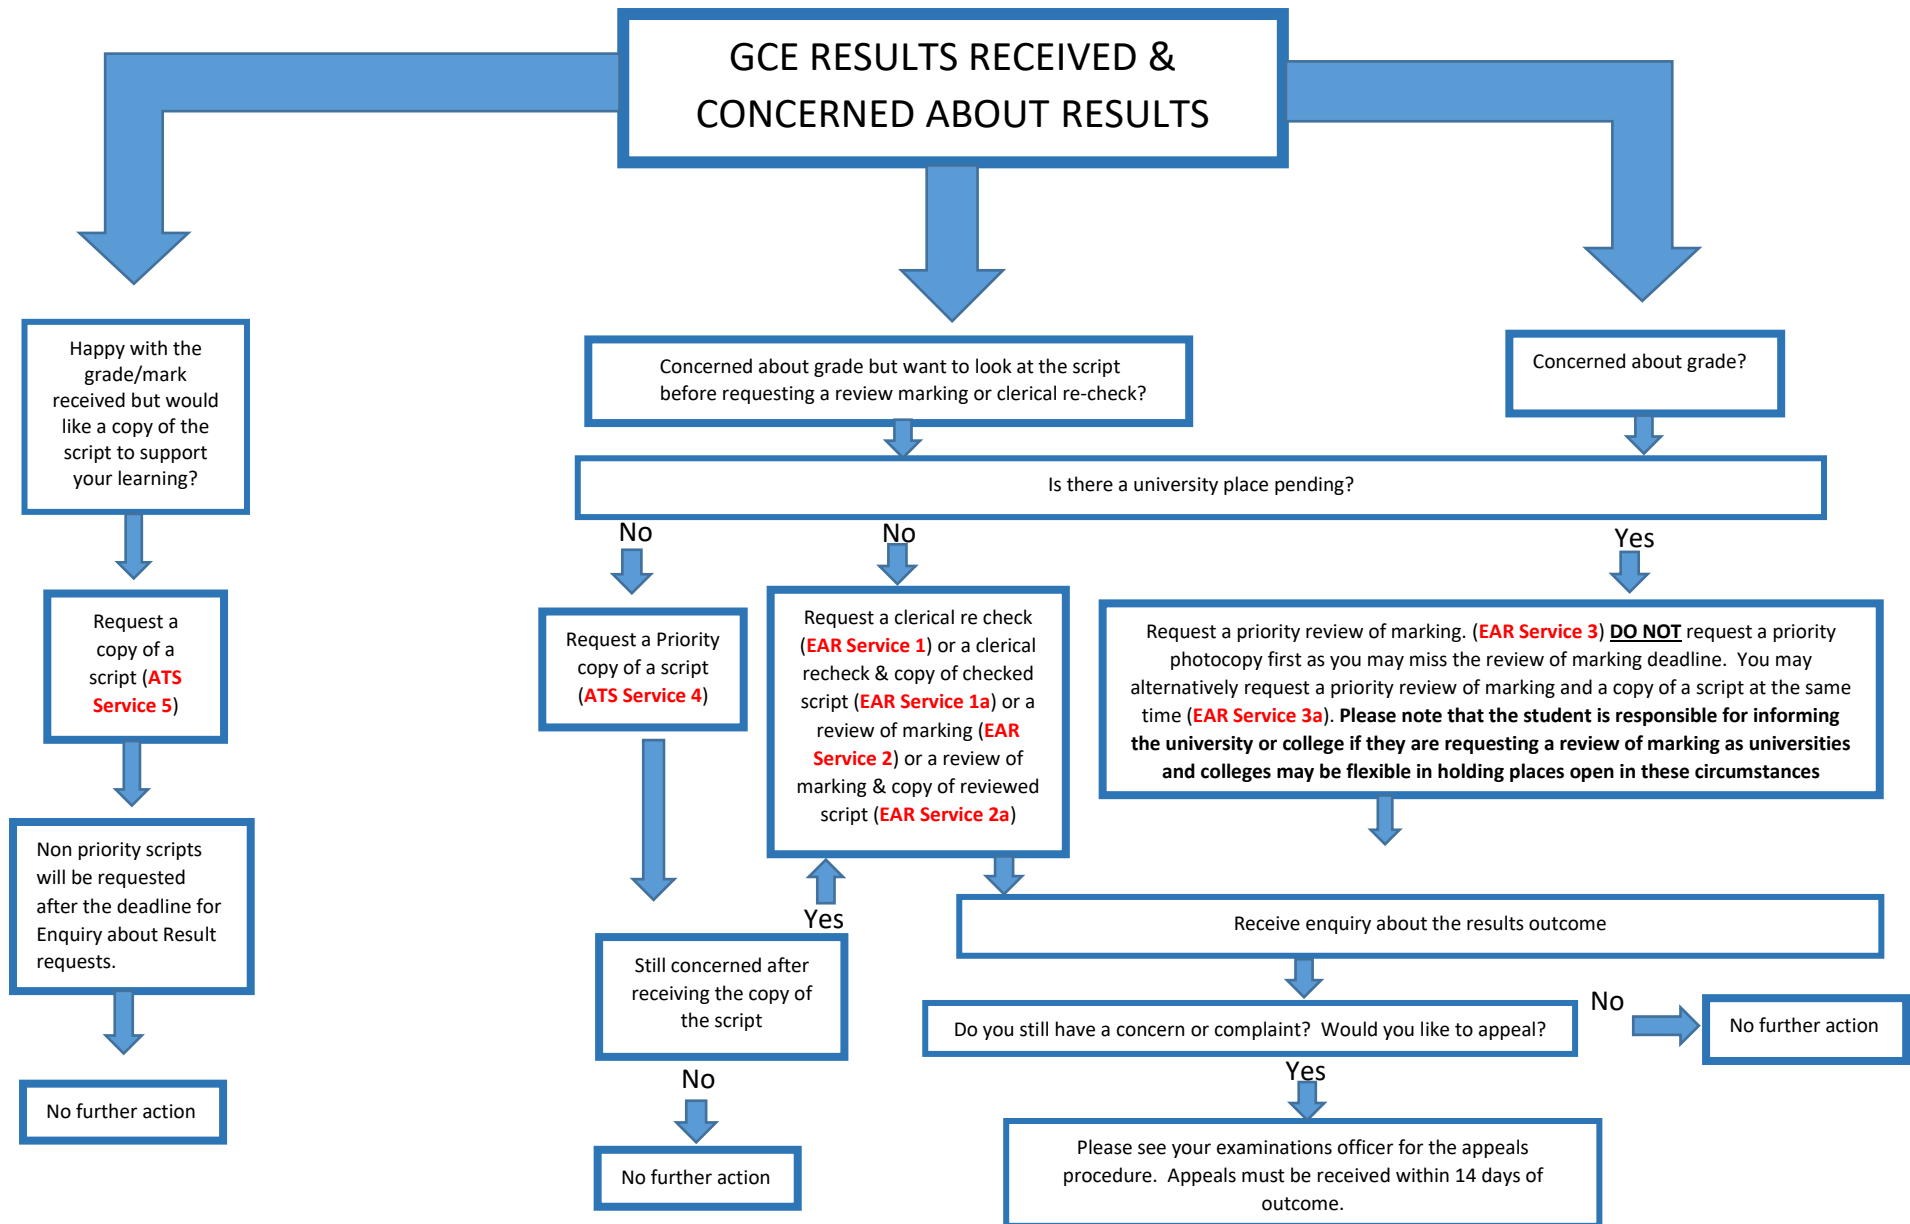

Access To Script is a service that allows you to request a copy of a marked examination paper

Should you decide to go ahead the options and prices for these services are detailed below:-

Listed are the current prices and services offered by the boards. **PLEASE NOTE THAT THE PRICES ARE PER PAPER NOT PER EXAM.** For example GCSE AQA Mathematics consists of 3 separate papers therefore if you wish to review the marking of all of the maths papers you would require EAR Service 2 at a cost of £120 (3 x £40)
