*A Specialist Language College*

18 July 2019

Dear Parents and Carers,

## **GCSE Mathematics – Summer Holidays revision booklet**

I would like to inform you of a revision resource that we have given the students in Year 10 as part of GCSE revision for the summer holidays. Each student has been given a booklet of GCSE questions and the answers, on topics that they have covered during Year 10.

We understand that your child might not have time during the holidays due to plans and prior commitments. However, we would encourage that they try to complete the booklet as much as possible so that they retain their knowledge and skills on the topics that they have already learnt this year.

These topics will not be covered again in Year 11 and it is important that the students keep up with their long - term recall strategies to prepare for the exams next May.

Please do not hesitate to contact either of us at the school by telephone on 01276 709050 or via email at [shopcraft@tomlinscoteschool.com](mailto:shopcraft@tomlinscoteschool.com) or [rlama@tomlinscoteschool.com](mailto:rlama@tomlinscoteschool.com)

Yours faithfully,

Mr Simon Hopcraft (**Head of Mathematics**)  
Ms Rinchen Lama (**Key Stage 4 Coordinator**)

*Interim Principal: Mr R Major, BSc
