INFORMATION FOR APPLICANTS

- The purpose of this form is to get you thinking about what you would like to do in the Sixth Form.
- You will not be committing yourself to any particular course when you complete this form.
- Neither does SHAPE, at this stage, guarantee your acceptance onto any particular course in September 2017.
- When you have completed this form and handed it in, you will be invited to a guidance interview by a member of the Sixth Form Management Team.
- The information in this application form will be used as a starting point for discussion, and alternative courses may also be considered at the interview.
- Courses may only run if a sufficient number of students apply to do that course.
- Some courses may run at other SHAPE sites.
- Once courses are blocked for the timetable, it is possible that subject clashes may occur.
- Enrolling on specific subjects / courses will be dependent on availability and the suitability of a student to benefit from a particular course. To help with this judgement, the school will use exam results and references from a previous school. This information will not be used to base any decision on admission to the Sixth Form itself, and any student who meets the minimum entry requirements will be considered for a place in line with this policy.
