8th November 2017

Dear Parents/Carers

Tomlinscote School Indonesia Expedition 2019

Following a hugely successful expedition to Borneo this summer, we are delighted to announce a very exciting programme offering students the chance to research and lead their own expedition to Indonesia in the summer of 2019.

The expedition is being offered to students currently in Years 10 and 12 and will give team members a unique opportunity to develop communication, team work and leadership skills in a challenging and fascinating environment.

The trip will be organised by True Adventure, a leading school expedition company, who will provide professional safety backup, supervision and training at every stage of the expedition process. They work with qualified and experienced leaders who will accompany the team whilst away, providing support and guidance throughout.

The Expedition will be presented to parents and students on **Monday 13th November at 7:00pm** in the Main Hall by True Adventure. The presentation will be both interesting and comprehensive, covering all aspects of the expedition including its aims, safety, training and funding. There will be plenty of opportunity for questions, along with video footage and images of expeditions demonstrating what it will be like to take part.

I do hope that you will be able to attend and would be grateful if you could return the reply slip to let me know.

I look forward to seeing you there.

Yours faithfully

Mr Rob Major
Head of School
