

# Tomlinscote School

Dear Parents / Carers,

We are delighted to inform you that Tomlinscote School is a Partner School of InvestIN, a company offering 'immersive careers experiences' for secondary school students, 12-18 years old. Please see the attached letter from the company outlining more detail about the programmes and how they work.

The programmes are described as giving students a '360 degree experience of their dream career' and are aimed at providing a unique opportunity for 12-18 year olds to explore the world of work. There are 28 different career sectors in total on offer, across a range of interests and skills from fashion designer to investment banker to video game designer. Each career/sector has a 12-14 year old programme (Years 8 & 9) and a 15-18 year old programme (Years 10 & 11).

We have sent many students on these programmes in the last few years and their feedback is always exceptional. A key thing to highlight is that there is a charge for the programmes but, as a partner school of InvestIN, the cost will be discounted by 10% by using the code **TOMLIN10** when booking. Booking is via the website here:

<https://investin.org/pages/choose-your-career>

Tomlinscote also have a limited number of bursary places available for students who receive Pupil Premium/Service Premium/Free School Meals funding. If your child is eligible and would like to attend an InvestIN programme, please contact me on [hlivesey@tomlinscoteschool.com](mailto:hlivesey@tomlinscoteschool.com) for further details. Bursary places will be allocated on a first come first served basis.

Kind regards,

Ms H Livesey  
Assistant Principal (Transition and Progression)
