TOMLINSCOTE SCHOOL AND SIXTH FORM COLLEGE
CATCHMENT AREA

Tomlinscote School and Sixth Form College's catchment area lies within the 'dashed' line on the map.

The boundary line runs down the centre of roads and footpaths. It should be noted that this often results in one side of the road being 'within the catchment area' and the other side being 'outside the catchment area'.

Where distance orbits are used, distance is measured in a straight line from the address point of the student's home, as set by Ordnance Survey, to the nearest official school gate for students to use. This is calculated using Surrey CC's Geographical Information System.

Note: This map should be read in conjunction with the Tomlinscote Admissions Policy, which can be found on the school website, www.tomlinscoteschool.com, under 'Admissions'.
