

Tomlinscote School

12th May 2022

Dear Parents and Carers,

It has been a really nice last day with Year 11 and the students have been superb throughout the whole day. I look forward to seeing them tomorrow for the celebration assembly and BBQ.

Please find attached a copy of the exam warm-up timetable up until May half-term. As mentioned in my previous letter, the school timetable will change at May half-term. Once this has been finalised, we will send the warm-up timetable for June. We would like students to bring their iPads along to any session they attend.

Although the students are going off on study leave, they are welcome to come in and visit teachers during their timetabled lessons; students must wear school uniform when coming onto site. After half-term, due to timetable changes, students should check their emails to find out when their teacher is running revision sessions. Any exam changes will also be communicated via email so it is vital that students continue to check.

Some staff are coming in over half-term to run extra revision sessions for students. If your child is invited to one of these, they will receive an email from their class teacher, confirming the date and time.

I would also like to alert you to some information regarding grade boundaries. There are a lot of unknowns this year with regard to exam gradings and grade boundaries. We have had some grades back in some vocational qualifications where students have sat them slightly earlier. The grade boundaries are higher than in 2019 so it is imperative that students do not rest on their laurels. The mocks used 2019 boundaries and our advice to students is to revise hard to gain as many marks as possible for each paper they sit.

Yours sincerely,

Mr R Major
Principal
