Dear Year 9 Parents and Carers

**RE: Personal Development Day 19/05/22**

On Thursday 19<sup>th</sup> May 2022, we are running Year 9 'Personal Development Day'. This has been part of our PSHE curriculum for Year 9 and covers a range of important topics based around self-development.

If you have any queries about the day, please contact myself in the first instance. The format involves Year 9 being off timetable and following six different sessions focussed on personal development. Students must attend in school uniform. The day will end at 3pm. Please see the accompanying Email for the resources staff will be using on the day.

Should you wish for your child to not be involved in the day, please contact myself before 18<sup>th</sup> May 2022 via email/phone, so we are aware of which students will not be involved. Your child should still attend school as normal and there will be a separate classroom available for students that are not involved in these sessions to work on core subject curriculum.

Yours sincerely

Mrs G Lines
