

# Tomlinscote School

7<sup>th</sup> September 2023

Dear Parents and Carers

On Friday 15<sup>th</sup> September 2023, Tomlinscote will be running its third Race for Life event at the school. We are taking part in this event in memory of our wonderful Learning Support Assistant, Elaine Myall, who sadly passed away last year. Unfortunately, many members of the Tomlinscote community will also be affected by this disease and we want to make a difference.

The Tomlinscote Race for Life is a great community event and students will run, walk, hop or skip their way round the course that will start on the school field and follow a route around the playground, back up to the field to collect a medal. It does not matter how they do the event because it is the taking part that counts. Students will do the event for a 30-minute period and staff will take part at various times throughout the day.

Periods 1 & 2	Year 7
Periods 3 & 4	Years 8 and 9
Period 5	Years 10 and 11

Students will leave their bags in the main hall, then go to the field for a brief warm up session and then complete the event. They will need their water bottles on the day. Please click on the link below if you wish to donate any money to Cancer Research UK and help us reach our target.

[Tomlinscote School is fundraising for Cancer Research UK \(justgiving.com\)](https://www.justgiving.com/tomlinscote-school)

Thank you so much for supporting this great cause.

Yours sincerely

Mr R Major  
Principal
