Dear Parents and Carers (Years 8-11),

Thank you for attending our Information Evening this week. I have added the PowerPoint to the school's website (Parents & Carers tab, Parent Information Evenings).

I have attached to this message a copy of the overall Extra Curricular Programme for this term. Please encourage your child(ren) to get involved in the wide range of activities.

Furthermore, I have included information on the National College for Parents/Carers. This was mentioned at the Information Evening as a place that provides great information and support for parents concerning online safety. I hope you find this useful.

Finally, I have also attached an overview of residential trips in order to help families with financial planning.

Yours sincerely,

Mr R Major
Principal
