

Tomlinscote School

13th October 2023

Dear Parents/Carers,

On **Wednesday 8th of November**, we will be holding a Charity Fair, which will be run by our Year 9 cohort. This is in support of our House Charity Week, where we will be raising money for the five chosen House charities, Bowel Cancer UK, Frimley Health Charity, Shooting Star Chase, Crisis and The Fountain Centre.

Students will create and run a variety of stalls, which our Year 7 and 8 students will have the opportunity to visit and spend their money at. The aim of the stalls is to raise as much money for their House charities as possible. It's a wonderful opportunity for students to work together and as a community, give something back. There will be some time dedicated in the morning tutorial sessions, for students to start preparations, but they may wish or need to organise aspects of their stall outside of school.

We would like, if at all possible, for you to support your child in any way you can to ensure they are successful and prepared for the day. We have asked Year 9s to get creative in what they might sell or offer at their stall. For example, some stalls might sell baked goods, some might offer face painting.

If there are any financial restrictions that may prohibit your child from contributing to their stall (this will be entirely down to what their group decides to put together), and your child is eligible for Pupil Premium funding, we may be able to provide some assistance to ensure that they are able to contribute without fear or prejudice.

We look forward to sharing the success of the Year 9 Charity with you and the money they have raised.

Thank you in anticipation of your support.

Yours sincerely,

Mr R Major
Principal

Mr L Frater
