**A LEVELS**

**BTEC AND  
VOCATIONAL COURSES**

**T LEVELS**

**APPRENTICESHIPS**

## Kenneh

Former BTEC Student

Graduate Solutions Architect in the Aviation sector for Sita

"What I remember most about my time at the college was the supportive group of friends I made. We had met at college, and just helped motivate each other with assignments and generally getting things done!"

I then went on to study Business Information Systems at Westminster University. Having studied IT and business at college, the fact I could study a combined course was perfect and really helped build on my knowledge and skills."

## ALEX

Apprentice

Works on aircrafts at 2Excel, ATC Lasham

"I wanted to do an apprenticeship so that I could start my career sooner and gain that hands-on experience – and get paid for it!"

The engineering facilities at college are very modern and I've seen lots of upgrades there during my time. It shows that the College cares about giving students opportunities to get hands-on experience and now I've secured a job in an industry that I've always wanted."

# T-LEVELS

## THE NEXT LEVEL QUALIFICATION

- ▶ Equivalent to three A Levels
- ▶ Industry placement of at least 45 days
- ▶ Finish with workplace experience
- ▶ Option to go to university afterwards

WELCOME TO THE HOME OF

Year One

Key theories, skills and  
concepts for your chosen  
pathway

## SPECIALIST CONTENT

Year Two

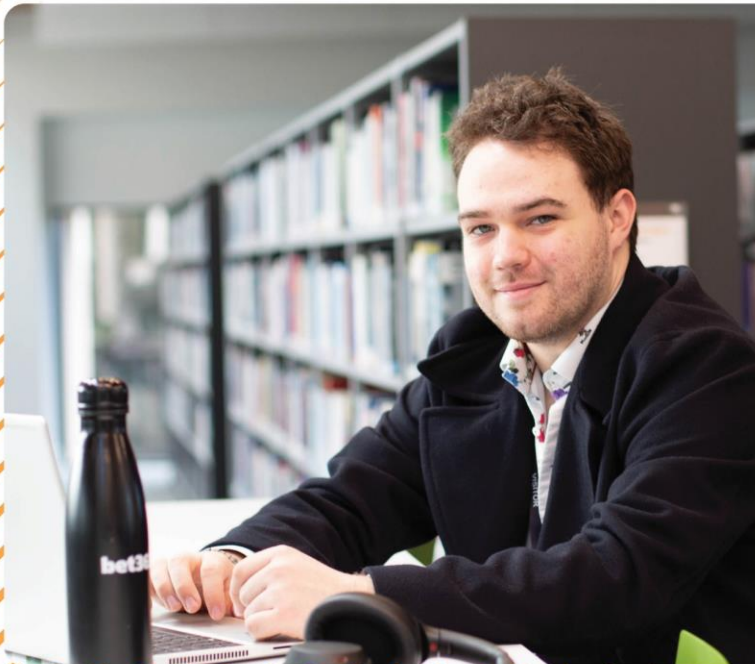

Determined by the  
occupational specialism  
you choose

## INDUSTRY PLACEMENT

At least 45 days  
spent with an  
employer

## Jacob

Former A Levels Student

Operations Manager at Bet365

"The lecturer for business and economics really sold it to me on an open event when I talked to him. He really knew the course and was so passionate about the subject he really sold the course to me.

The lecturers live and breathe the topics they teach and a lot of the work I do now I learnt at Farnborough during my lectures: Motivation skills, operations, organisation history and the math skills."

## PRIYANKA

T Level Student

Work experience at Fleet town council

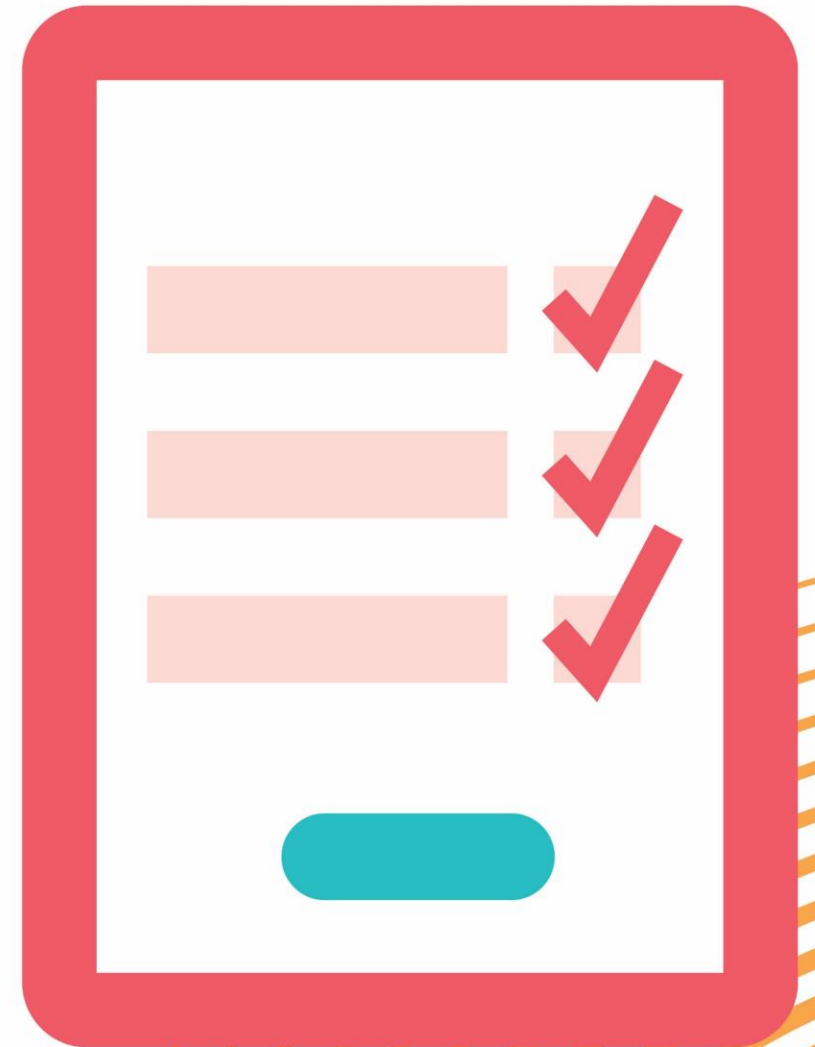

"I completed my work experience in fleet town council. They had me doing a number of things including website bits, assisting the marketing team and newsletter designing. The College helped me with finding the placement.

T Levels are a great option if you're unsure of what you want to do after college. Studying a T Level has so many more benefits than studying a BTEC or an A Level. It can prepare you to feel confident to go into the real world of work in the workplace."

# ENTRY REQUIREMENTS

## MOST OF OUR COURSES REQUIRE:

- ▶ At least five GCSEs at grade 4 or above

## OUR LINKS WITH EMPLOYERS

help to make sure our courses  
prepare you for the workplace  
and provide opportunities to gain  
workplace experiences!

# AIRBUS

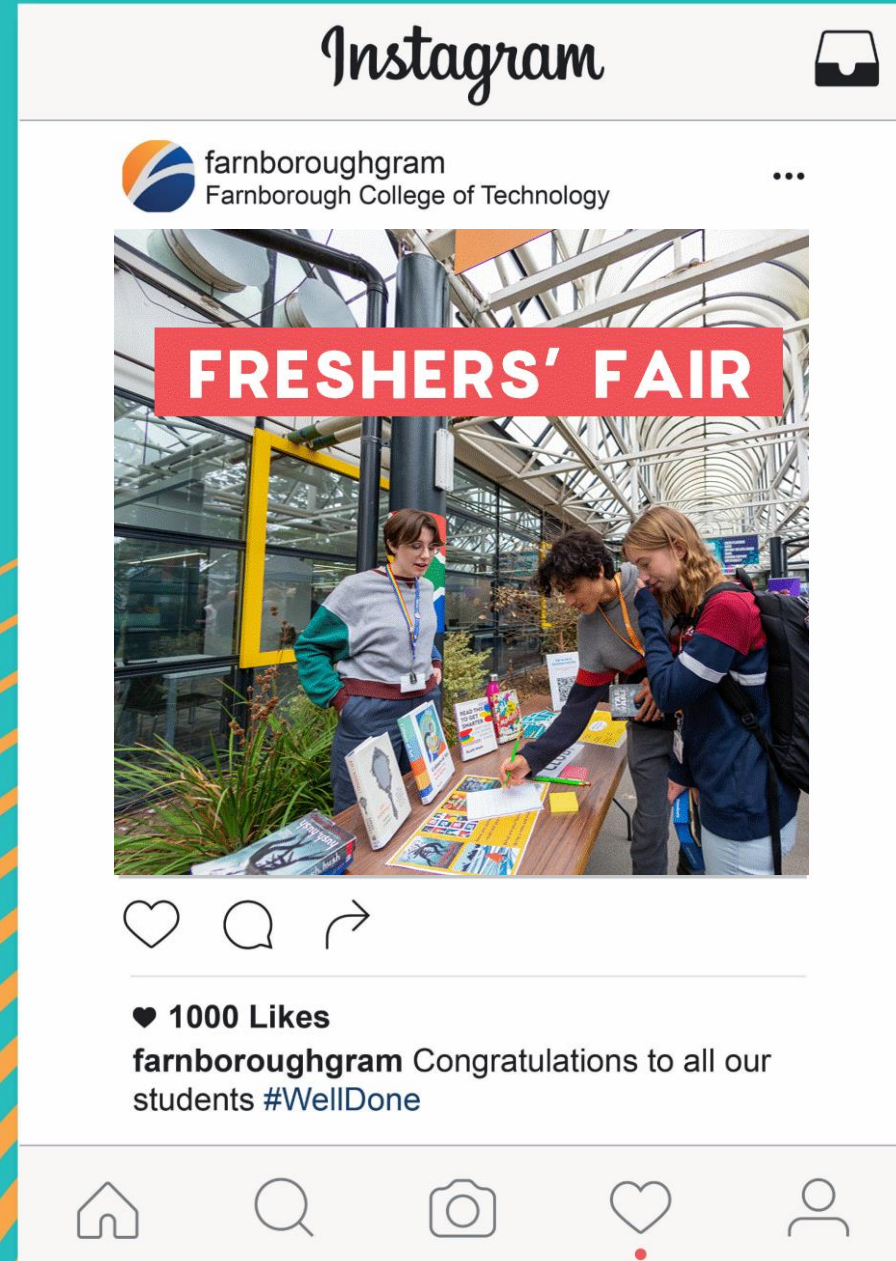

# YOU'LL HAVE PLENTY OF OPPORTUNITIES TO MAKE FRIENDS

**Eloise**

Former A Levels Student

"Everyone in and around college was nice, the people in my class were great. The friends I made here helped me feel more comfortable and confident."
