

# Tomlinscote School

February 2024

Dear Parents/Carers,

**Year 7 Sustainability Day – Monday, 19th February 2024**

On Monday, 19<sup>th</sup> February your child will be taking part in our annual Sustainability Day organised for students in Year 7 as part of their Enrichment Programme.

The students will be in their form groups for the day and will explore topics such as sustainability, and green jobs. For part of the day, they will also be designing and creating a sustainable invention. The programme of activities will be led by our Year 10, 9 and 8 Wellbeing Ambassadors.

Students will need to attend school in their normal school uniform. They will only need to bring in their pencil cases and their iPads. However, they may also wish to bring in some recycled objects to aid in the creation of their invention.

Yours sincerely,

Mr R Major  
Principal

Mrs S Davies  
Assistant Head of Year 7
