

# Tomlinscote School

21st February 2024

Dear Parents and Carers

## **Year 9 Enterprise Day – Wednesday 28<sup>th</sup> February**

I am writing to let you know that next Wednesday, 28<sup>th</sup> February all Year 9 students will be taking part in Enterprise Day. Enterprise Day will see students participate in a half day workshop consisting of business-orientated tasks designed to engage and challenge students as they launch a new product into the market.

Students will work through a number of business and enterprise tasks such as ideas generation, problem solving, finance and marketing. Through the workshop, students will have the opportunity to practice key skills necessary for the workplace such as strategy and planning, teamworking and communication.

Enterprise is being taught as part of the PSHE (personal, social, health and economic) curriculum to support children with the theme “living in the wider world”.

Year 9 T Population will be “off timetable” for Enterprise Day for periods 1,2 and 3

Year 9 S Population will be “off timetable” for Enterprise Day periods 4,5 and 6.

All start and finish times, breaks and lunch are as per the normal school day. Students will wear normal school uniform and need to make sure that they have the correct books and equipment for the school day where they are not working on their enterprise project.

In the past this has proved an enjoyable and active session for Year 9 and we are very much looking forward to next week.

Your sincerely

Ms Caroline Crabtree
