## 1. What is The Prospect Trust?

The Prospect Trust came into being in June 2017 as a multi-Academy trust. Its main purpose is to enable strategic collaboration between educational organisations in order to maintain and improve standards. It is an exempt charity.

**Vision** To provide outstanding education within a collaborative family of academies, driving academic excellence, inclusion and opportunity for all.

**Mission** To enable all our learners to realise their full potential and make a positive contribution to their communities.

The Trust's core values are these:

- **Partnership** working together we can deliver better, and more effectively, than working alone
- **Restlessness** the current state is never good enough
- **Trust** open and transparent in everything we do
- **Quality** aspire to be the best in everything we do

The Trust's **strategic priorities** are to:

- Embed a culture of high aspirations and expectations for all across TPT's academies that enables all learners to fully realise their academic and personal potential, regardless of starting points and backgrounds
- Ensure that every TPT learner engages with a high-quality, inclusive curriculum and effective, evidence-based pedagogical practice for all groups of learners, with additional support provided where required so that no learner is left behind
- Develop an effective Trust-wide people strategy, including a high-quality professional development programme for all staff at all stages of their careers and the development of a coaching culture at all levels
- Create further opportunities for impactful Trust-wide professional and learner collaboration
- Raise the profile of the Trust and increase the number and diversity of member and partner academies
- Create a cost-effective, sustainable operating model that enables all member academies to thrive

## **2. What is an Academy Quality Council?**

In a multi-academy trust, the Board of Trustees (Board) is legally accountable for all decisions made in its academies. At The Prospect Trust, the Board delegates some of its powers to advisory committees. At academy level, these advisory committees are known as Academy Quality Councils (AQC's).

The AQC's ideally comprise ten to twelve councillors including stakeholder representatives e.g. staff, parents and the local community, including the Diocese (in the case of a Church Academy). The AQC's meet, on average, six times a year and work to levels of authority set out in the Scheme of Delegation.
