

The Prospects Trust Career Information Advice Guidance

Post-16 College and School Sixth Form Information Events 2024-25

All information was correct at the time of compilation. Please ensure you check dates and times of virtual events on offer at individual colleges and schools with sixth forms on their websites.

Post-16 Choices

Your main options at the end of Year 11 are:

- To continue in full time education either at a college or a school with a sixth form
- To start working and continue your learning in the workplace, through an Apprenticeship or a training programme

As a student going into Year 11, you will soon need to decide on your next steps, if your plans are to stay in full time education. Most colleges and schools with sixth forms are offering open days and information events alongside virtual and online events, this will be a fantastic way to make informed decisions about:

- The best college/school sixth form for you
- Subject(s) you would like to study
- The type of qualification and the level you might be best suited to (A Levels; BTEC/ CTEC, T levels)

Here are some tips to help you to prepare for open days and information sessions at local colleges & school sixth form:

- Occasionally dates can change, so please do check for the latest dates and times of events on the website for colleges / schools with a sixth form and register for a place
- Check for Question / Answer sessions, read the course descriptions on the websites and prepare questions to ask in advance
- Think about the combination of subjects that may complement each other
- Find out about availability of virtual subject/course taster sessions and register for a place

Research the courses that interest you thoroughly, check the GCSE grades required to do the course carefully

- Check how to apply, most use an online application system.
- Check application deadlines and note them in your calendar as a reminder
