

Tomlinscote School Newsletter

5th September
2025

Dear Parents and Carers,

Welcome back to all the students and staff!

It has been lovely to see all the students return on Thursday and to welcome 300 Year 7 students to our Tomlinscote community. The students have returned to school extremely smart and I hope it will be another great year.

The Year 11 results in August were excellent once again and the cohort of students achieved slightly better results than last year. This was the first year group to sit GCSE examinations after missing SATS examinations due to the Covid period. 18 subjects had a Grade 9-4 percentage above 80% and 10 subjects above 90%. (Biology 100%, Chemistry 100%, French 97%, GCSE PE 96%, Physics 98%, Psychology 100%, Religious Studies 100%, Spanish 91%, Graphic Design 94% and Health & Fitness 96%). The percentage of students who gained a 9-4 grade in both English and Maths was 80%. The 9-5 grade % for both English and Maths was 62% and the 9-7 grade % was 19%. 31% of our students gained an English 9-7 grade and 31% in Maths. In total, 35% of all our GCSE grades were Grades 9-7. Congratulations to the whole Year 11 cohort and I wish them the very best in the next stage of their educational journey.

The PE extra curricular clubs start next week and the rest of the clubs start the week beginning 15th September 2025. Generally, after school clubs start at 3.15pm and run to 4.15pm, however please check each club for specific times. The students do not need to sign up in advance and just need to go to the venue where the club is happening. A programme of the Autumn term clubs will be sent out with this newsletter.

Due to a lack of capacity, the newsletter will now be a page or two in length every week and it will predominately focus upon upcoming events or key bits of information that need to be communicated with parents/carers.

I hope you all have a lovely weekend.

Mr Major
