Dear Parent and Carers,

A massive thank you to all the students and staff who participated in the school Open Evening this week. In total, we had 320+ Key Stage 3 students who acted as tour guides for families and they were brilliant ambassadors. It is quite amazing to think that so many Year 7 students helped out and they have been at the school for just a few weeks. We also had 200+ Year 10 & 11 students who were keen to support within subject areas. They were also superb and actually led many of the subject demonstrations. I am so proud of our students and how they have given their own time to support the school and show how proud they are of our community. It really did shine through on the evening with so many positive comments from parents. The perfect Open Evening!

Our Year 10 Geography students visited Guildford for their Geography coursework looking at differences in environmental quality at different points within the town. Students had to complete questionnaires and one group even approached the Mayor of Guildford who was walking his dog! Again, they were brilliant ambassadors and it was a pleasure to take them out of school.

A plea from the main reception - this week, we have been inundated with parents bringing PE kits, iPads and other bits and bobs down to school because they have been forgotten by their children. Can I ask you to double check that your child has all the right equipment and kit for the day. It may save a lot of work! Thank you.

I hope you all have a lovely weekend.

Mr Major
