

Tomlinscote School Newsletter

3rd October 2025

Dear parent and carers,

The INSET day on Friday was a Prospect Trust Conference at Farnborough Sixth Form and its entire focus was on Artificial Intelligence. Staff members from the four academies met to listen to presentations from educational experts and to complete certain practical workshops.

I am really pleased to highlight that over 95000 House points have been issued during September, which is absolutely superb. Our focus is on giving as much praise as possible and “catch students being good”. I want those students who come to school on time, who perform well in the classroom, who represent the school and do the right thing all the time, to be rewarded. We have recently displayed previous House winners on a board by the Main Hall and all winners have the opportunity to go to Thorpe Park and win the House Cup for a year.

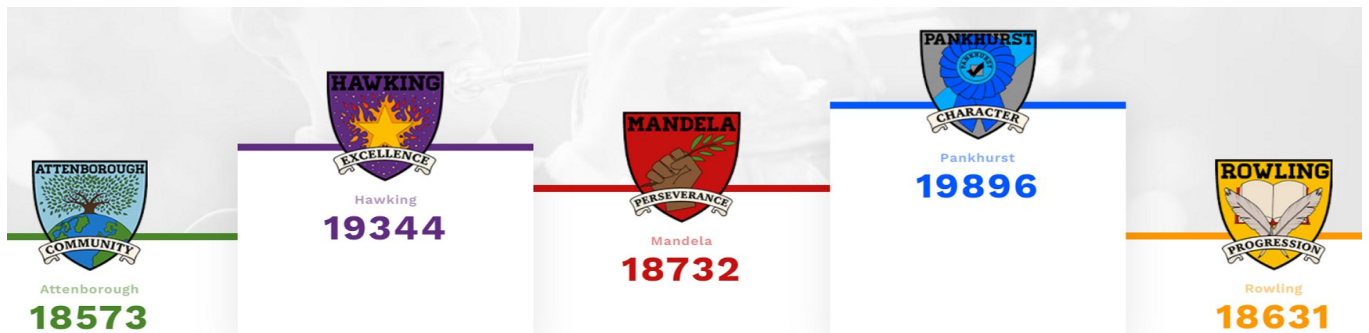

Here is the latest House point situation.
