

# Tomlinscote School Newsletter

17th October 2025

Dear Parents & Carers,

It has been lovely to walk around the school over the past three weeks with Year 6 students and parents. I am so proud of our students working so hard in lessons, smartly dressed, and the large number of students who were able to effectively explain to our visitors what they were learning in the lessons. Parents were impressed with the calmness around the site and the quality of learning from our students. We have had 830 people visit in the past three weeks!

As part of Biology Week, 23 students from Years 10 and 11 attended a fascinating after-school event hosted by the Royal Society of Biology. They explored topics ranging from GCSE-linked immunology to cutting-edge biotechnology, such as using microbes to digest electronic waste. They also looked at the wonders of deep-sea exploration, including how the scaly-foot snail is inspiring cleaner solar panel technology. The virtual presentations were delivered by eminent biologists whose career journeys sparked real excitement and curiosity among our students, with many now inspired to pursue Biology further at A-level and beyond.

## Key Dates

**Monday 27th October -  
Tuesday 4th November**  
Half term

**Wednesday 5th November**  
Students return to school at  
the normal time of 8.30am

**Thursday 6th November**  
Year 11 Progress Meetings  
(Online)

**Monday 10th November**  
Parental Forum  
7pm Main Hall

**Wednesday 12th November**  
Year 7 Anti Bullying Day

**Thursday 13th November**  
Year 9 Charity Fair

A big thank you to our catering team who have produced an excellent Halloween display in our Beehive. I am sure that the students appreciated their above and beyond effort.

I hope you have a lovely weekend,  
Mr Major
