

# Tomlinscote School Newsletter

7th November  
2025

Dear Parent & Carers,

Next week, we have our Charity Week and these are the 5 charities that we will be supporting this year:

Shooting Star Children's Hospices, The Fountain Centre, Bowel Cancer UK, Frimley Health Charity and Crisis.

Each day there will be a range of activities and events that will take place at lunch or break time in various locations around the school. **Students will need to bring some money for each day for any of the activities or events they wish to take part in.**

On Thursday 13th November, Year 9 students will be hosting the Charity Fair and have designed a number of fun stalls and events for the afternoon. All Year 7 and 8 students will have the opportunity to go these stalls. Again, they will need some money to buy food or take part in those activities. I would really appreciate it if you could support us and ensure that the students have some change on the day.

A couple of reminders:

The Parental Forum will take place on Monday 10th November 2025 at 7pm in the Main Hall - everyone is welcome to attend. The agenda will start off with:

- Feedback on the Information Evenings
- Review of the Behaviour Policy changes that took place this term
- Fundraising at Tomlinscote

The Year 10 Progression and Work Experience evening is on Monday 19<sup>th</sup> January 2026 - a date for the diary for Year 10 Parents & Carers.

I hope you have a lovely weekend,

Mr Major

Year 9 Battlefields trip

**Thursday 27th November**  
Year 8 Progress Meetings in  
school

**Friday 28th November**  
Year 10 Reports sent home

## UKMT Senior Maths Challenge

Well done to our Year 10 and Year 11 Further Maths students who did exceptionally well in this year's UKMT Senior Maths Challenge achieving 2 Gold, 8 Silver and 11 Bronze Awards!

As a school, we are committed to offer enrichment activities to all our students both to stretch their potential outside the classroom and to help with those important Sixth Form and University applications once they have left us!

Our most able mathematicians have the opportunity each year to take part in the UKMT Senior Maths Challenge which is aimed at Year 12 and 13 students. This is a 90-minute maths competition designed to challenge and engage mathematical thinking.

Huge congratulations to Emily Armitage (11L) who achieved the Gold (Best in Year) Award and Duncan Davies (10R) who achieved the Gold (Best in School) Award! Both Emily and Duncan have also qualified for the follow-on Andrew Jobbings Senior Kangaroo Challenge based on their outstanding scores! Well done both!

### **Silver Awards:**

Amelie Burnett 11G  
Haytham Cheng 10M  
Rachel Head 11X  
Joseph Horne 11H  
Livia Radziwonowska 11R
