

Tomlinscote School Newsletter

21st November
2025

Dear Parent and Carers,

I am really pleased to say that we raised **£2,114** in total last week during our charity week (£579 from the various activities during the week and £1535 raised from the Charity Fair). Thank you to all the students who took part and contributed in some way.

I would like to congratulate Emily (10H) who achieved a silver medal at the Tumbling and Trampoline Junior World Championships in Spain last week.

To achieve a global medal is superb, especially because she had to recover from an injury sustained 6 weeks prior. The school are very proud of her indeed.

Another well done to Camellia Harding, who won the District Cross Country Year 9 Race on Wednesday.

Tomlinscote had 4 individual podium places and the Year 8 Boys team won overall. Well done to everyone who represented the school.

School closure procedures - as a reminder, if you haven't already done so this term, please can you complete the Google Form confirming the course of action for your child should we need to close the school in an emergency and send students home. Please click below for the letter and link to the Google Form. We have had a third of the responses so far!

I hope you have a lovely weekend. I am off to Belgium with 120 Year 9 students to visit the World War 1 Battlefields and cemeteries.

Understanding Attendance at Tomlinscote

Mr Henry sent out a letter last week as part of Tomlinscote's collaboration with ImpactEd on the goal of understanding and improving school attendance. We would like to gather your views as parents and carers. You are now invited to complete our short, confidential survey related to your views on attendance and how we can further support you and your child. We appreciate your honest feedback and time in completing this survey.

The survey will remain open until Friday, November 21st. The link to the survey is below (or alternatively a QR code can be found here):

<https://impacted.typeform.com/tomlinscote>

If you experience any difficulties accessing the survey link, please do not hesitate to contact Mr Henry at phenry@tomlinscoteschool.com. Thank you in advance for your support and we look forward to sharing the findings with you later this academic year.
