

# Tomlinson School Newsletter

23rd January  
2026

Dear parents & carers,

It has been a pleasure to step into the Associate Principal role this week and I am grateful to the staff and students for their warm welcome.

It has been another busy week. We are grateful to all the many parents & carers who attended the Yr. 10 Work Experience and Yr. 9 Options evenings—milestones in your children’s education that we are delighted to be working closely with you on.

Year 9 enjoyed a range of Creative Arts activities as part of their Diversity day and then participated in our inaugural German Band workshop and concert. We are really impressed with the maturity and engagement displayed throughout these event, well done Yr.9

After every Progress Meeting we send a survey to parents & carers and the information is gathered in order to support the school to get even better. One recent comment is that parents wish to receive more information about what their children are learning over the course of a half term. At Tomlinson, the curriculum overview is shown in a large document with a curriculum map for every subject.

The maps look like this English one and also include curriculum themes like “careers education”. Here is a link to the [Curriculum Map Booklet](#) Furthermore, individual subject information is all available on the website with relevant statements of curriculum intent & further details.

## [Subjects - Tomlinson School](#)

We look forward to welcoming you the school show next week. I hope you have a good weekend.

Ms Harrison
