THE ULTIMATE WORK EXPERIENCE

Since 2012, InvestIN has been equipping students from around the world with an immersive experience of their dream career. We offer teenagers the opportunity to gain hands-on, practical industry experience alongside leading professionals, so that they can choose the right career for them and maximise their potential.

Co-Founders Hitesh Chowdhry and Shameer Thobhani are former professionals in corporate law and investment banking respectively. They were inspired by the opportunity to provide students with a realistic insight into their own fields, by equipping young people with the insider knowledge they both wished they'd had when they were at school.

Based in London, we have welcomed over 70,000 students from across the UK and 100+ other countries. We are the go-to global provider, delivering fully practical and professional-led career experiences for school students and we are committed to fostering career confidence in every student who joins us.

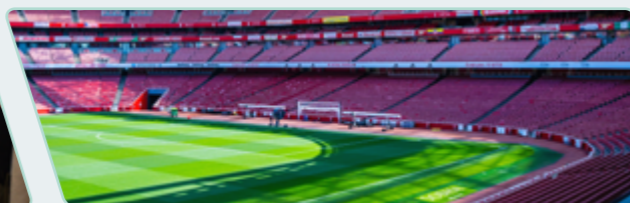

World-Class Career Preparation

InvestIN delivers immersive work experience programmes in London for students aged 15-18. With 15 competitive careers to choose from, each programme is delivered by accomplished industry experts to equip students with a 360-degree insight into their respective fields.

Gain hands-on experience with top professionals

Explore real workplaces and prestigious professional venues

Meet like-minded students from all around the world

Experience life on campus at a top UK university & explore London

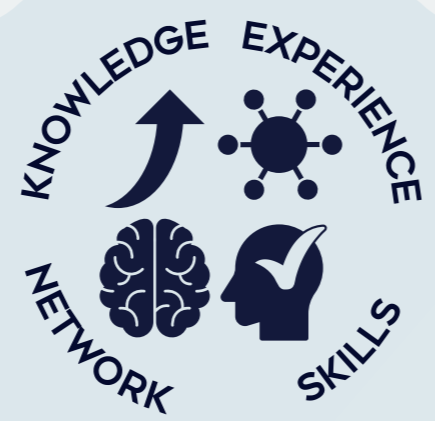

Receive a certificate & industry reference letter to boost applications

Achieve an accredited Level 3 Award in Work Experience & Career Planning, equating to extra UCAS points

For advanced EFL students, enhance your oral and written skills in business-level English!

Each programme seeks to equip students with what we consider to be the four pillars of career success

Why choose InvestIN?

Life beyond education can feel daunting, as students are expected to make big decisions at a young age that will inevitably shape their career trajectories.

By coming on an InvestIN programme, we aim to empower students to:

Make the right career decisions

By experiencing an industry first-hand and gaining exposure to real professionals, students can better determine whether an industry aligns with their goals and skills.

Boost their chances of breaking into a competitive field

By developing key employability skills, as well as gaining certification, UCAS points and a qualification in Work Experience, students can boost their university applications and CVs.

Our Expertise

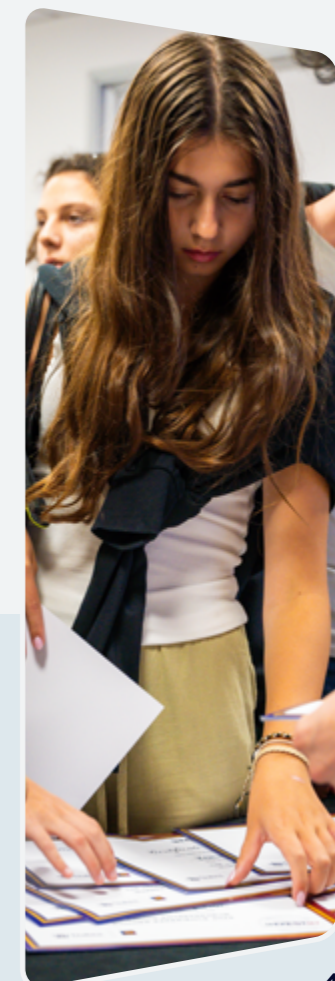

Learn from our community of over **1,000 industry experts** built over a decade of delivering immersive career experiences to **70,000 students**.

Our Experiential Approach

Choose from **15 competitive careers** and gain up to **65 hours of contact time** with professionals in a truly practical environment outside of a classroom.

Our Accreditations & Partnerships

We've partnered with over 1,000 schools around the globe, we're accredited by the **British Accreditation Council** and we're listed as **approved activity providers** for the Residential aspect of the **Duke of Edinburgh Gold Award**.

Our Programmes

Available in 15 careers for ages 15-18

Take our Career Quiz

Our Impact

We exist to help students make informed decisions about their future careers and to enable them to stand out in the application process.

Boost your university application

Universities look for students who go beyond the classroom to gain key skills and insights into their chosen course. By joining an InvestIN programme, students will be able to:

- ✓ Gain relevant, lived experience to reference in their applications
- ✓ Apply their academic studies to real-world professional scenarios
- ✓ Prove what they've achieved with a certificate, industry reference letter and a qualification in work experience

Achieve a qualification in work experience

By enrolling in a 2-week summer programme, you can opt to have your work assessed to achieve a Level 3 Qualification in Work Experience & Career Planning.

Gain UCAS points

Applying to a UK university? This qualification equates to an extra 8 UCAS points to add to your application!

“The programme helped me better understand the concepts behind Computer Science, which has in turn helped me in my studies at university and by extension, my entire career journey.”

Samuel attended:
The Young Computer Scientist Summer Experience

He now studies:
Computer Science at the University of Cambridge

“Without InvestIN, I might still be at university wondering what area of finance I want to go into. The course allowed me to really understand what life would be like in each of the career paths and what I might enjoy based off my skillset and my work environment expectations.”

Keenan attended:
The Young Investment Banker Summer Experience

He now works at:
JP Morgan on their Degree Apprenticeship Programme

“InvestIN opened the door to more opportunities. By using the experience I gained at InvestIN, I was accepted onto a 2-week work experience programme with Airbus.”

Catherine attended:
The Young Engineer Weekend Programme

She now studies:
Engineering at the University of Houston, Texas

Read our alumni stories

I did the InvestIN Programmes in 2014 & 2016 as a student and am now a frequent guest speaker.

The programmes were both fantastic experiences which helped me greatly in entering a career in Investment Banking. It is a pleasure to return as a guest speaker and I aim to help as many students as possible in achieving their dream career.

Michael Truckle, Hedge Fund Analyst

Our Locations

On our programmes, we seek to create an environment that empowers young people to feel and act like young professionals.

Based on campus at the prestigious University College London (UCL), InvestIN provides teenagers with both an experience of life beyond school, as well as world-class career preparation in central London.

Our Summer Experiences feature exclusive visits and experience days to iconic industry landmarks, such as business headquarters and training facilities.

Highlights include:

- ENGINEER** — Take apart a petrol engine at the largest collection of supercars in the UK
- PSYCHOLOGIST** — Visit a Premier League stadium to practise innovative psychological techniques used to coach elite athletes
- LAWYER** — Argue a human rights case in the UK Supreme Courts of Justice
- DOCTOR** — Visit a London training hospital to participate in a simulated ward round to treat patients
- BANKER** — Trade the stock market live in the finance district

Our Professionals

On our programmes, industry professionals coach our students, so that they can gain insider knowledge and experience what it's really like to work in their dream career, from those who live and breathe it.

Key qualities of our programme professionals:

- o Passionate and inspirational speakers o
- o Encouraging and supportive programme facilitators o
- o Variety in the stage of their career and the pathway taken to break in o
- o Highly knowledgeable and experienced in their fields o
- o Wide-ranging backgrounds and specialisms o

[View more of our professionals](#)

On our programmes, students will work alongside our industry experts, who will guide them through immersive career simulations and site visits to key industry locations, so that students can gain hands-on experience of the work professionals typically carry out on a day-to-day basis. Students will also have ample opportunity to get their burning questions answered, by attending live Q&A panels and private networking sessions with our professionals.

Note that each programme has a unique timetable; the venue and the start/end times will vary each day. The residential social programme activities and schedule will be confirmed closer to the time.

Residential Package

Experience university life before you apply

Summer Experience students can choose to book our residential package, featuring:

- ✓ Private, ensuite rooms in university halls of residence
- ✓ Breakfast & dinner
- ✓ Evening & weekend activities
- ✓ 24/7 safeguarding & pastoral support, including a nominated Pastoral & Activity Leader (PAL)

Location & Facilities

Students live on university campus in central London and are allocated to halls of residence used by University of London students, including those from UCL and LSE, typically at Garden Halls or College Hall. All halls of residence sites include comfortable and spacious communal areas for students to enjoy, such as a games or cinema room, as well as laundry facilities.

Meals

Breakfast (7:30-9:00) and dinner (17.30-19.30) are buffet service at the accommodation canteen, featuring a wide selection of hot & cold food, with tea, coffee & juice included.

For lunch, students can choose from a wide range of eateries near to their programme location on any given day.

Snacks are available in the accommodation for students to help themselves, such as cereal bars, fruit and crisps.

Arrival & Departure

Check-in is the day before the programme starts and check-out is the day after the programme ends. Airport transfers to/from Heathrow are available for an additional fee.

Social Programme

Outside of core programme hours, residential students will get to enjoy a range of organised social and cultural activities to unwind and get to know their peers every evening and over the weekend between weeks 1 and 2. Premium Summer Experience students will also get to attend a formal Gala dinner and networking reception with professionals on their penultimate evening.

How to Register

Registering for an InvestIN programme is a simple, straightforward process.

- ✓ **No application process**
Students don't require prior knowledge or experience in order to attend.
- ✓ **Places are limited**
We are typically fully booked for summer programmes by late spring.

1

Selection

Head to our website and choose your desired career, length and date of programme.

2

Payment

Pay in full online or secure your place by paying a non-refundable £950 deposit. Alternatively, contact us to pay via invoice.

3

Enrolment

You will be invited to complete a student enrolment form, so we can capture important information for your time with us, such as medical information, travel details and emergency contacts.

4

Pre-Programme

Once you have completed the student enrolment form, you will receive your pre-arrival pack, including your personalised timetable and materials.

5

Post-Programme

After you have attended a programme, you will receive a copy of the slides and content covered and be invited to complete an online assessment to receive your personalised certificate.

6

Stay in touch!

We love to hear what our alumni go on to achieve. Look out for future invitations to share your next steps with us.

Have questions? Not sure which programme is for you?

Our admissions team are here to help. Chat live via our website, www.investin.org, email us at info@investin.org or speak to us over the phone on + 44 (0) 203 488 5089.

Our Team

- Admissions** — Choosing a programme — Contact our team for a free careers consultation - help us help you choose the right programme for your career ambitions!
- Our expert admissions team are on hand to support you throughout your journey with InvestIN.
- Enrolment & payment — We will guide you through the booking process and answer any questions you have.
- Pre-arrival — Receive updates from us on your programme timetable and materials.
- Post-programme — We will send your post-programme materials and invite you to complete a short follow-up assessment so you can receive your personalised certificate.

Programme Delivery

Our expert Programme Management and Operations teams work year-round on the organisation of our term-time and summer programmes. Programmes are led by our InvestIN Programme Managers, whilst the content is delivered by industry professionals from the relevant career fields, supported by current university students.

In the summer, our delivery team expands to onboard a cohort of seasonal staff, such as the Summer School Director, Centre Managers, Assistant Centre Managers and Pastoral and Activity Leaders. Many of our seasonal staff and industry professionals return to work with InvestIN every summer and are experienced with our systems, processes and settings.

Safeguarding & Pastoral

Our safeguarding and pastoral team is made up of vetted, experienced professionals from safeguarding settings: education professionals/learning support assistants and safeguarding officers. During our Summer Experiences, students are supported by pastoral and activity leaders (PALs) and the residential settings are overseen by centre managers, a 24/7 team of safeguarding officers and coordinators, as well as on-site specialist nurses.

I had an amazing experience with InvestIN, the staff were so friendly and great communication from the moment I booked the course all the way throughout.

International Students

Travelling to the UK

Students who require a visa to enter the UK will need to obtain a Standard Visitor Visa (the same used by tourists). InvestIN is accredited by the British Accreditation Council (BAC) and students can select a visa for "study at an accredited institution". We can provide everything you need to support your trip to the UK, from visa letters, to airport transfers, to a comprehensive residential package and an evening/weekend social programme filled with cultural and social activities.

A global student community

We have welcomed students to London from over 100 different countries. Our programmes offer international students a unique opportunity to experience both university and professional life in the UK before they leave school, whilst making lasting friendships with likeminded and ambitious peers

English as a Foreign Language

We require a minimum English language level of B2 (upper-intermediate CEFR). Our programmes are delivered by native English speaking professionals, whilst over 50% of our students are from the UK and the US. This provides advanced English language learners with a fantastic opportunity to develop business-level oral and written communication, whether that's working on a project brief in a team, presenting to a group, networking with professionals or socialising with friends.

I went on the medicine InvestIN experience and it was absolutely amazing - it was incredibly useful in terms of next steps and how to get into medicine in the UK, as well as in regards to looking at all the different specialties. One of the most rewarding parts was meeting like-minded people from all over the world and the UK! I would absolutely recommend it for anyone!

School Partnerships

At InvestIN, our school relationships are at the heart of what we do. We collaborate with schools from all over the world, supporting their existing careers provision to ensure students have the tools they need to succeed and to equip teachers, parents and carers with the resources to guide them.

Join our network of 1,300+ schools across the globe!

Careers resources, events & guidance

Discounts off programme fees

Fully funded bursaries & scholarships for eligible students

I never fail to be impressed by the professionalism and level of engagement from InvestIN. The manner in which they engage with students is perfectly pitched.
Blackheath High School GDST, London

As a Partner School, InvestIN has been a great resource to draw on, from attending our careers conventions to delivering sessions to students on key employability topics.
St Clare's, Oxford

Get in touch

The Career School

Powered by InvestIN

InvestIN also provides in-school careers provision, designed to enhance industry exploration and skill development for your students. Whether you're looking for year-round careers support for students or a targeted employability skills workshop, we have options tailored to meet your school's needs.

- Our provision meets all the Gatsby Benchmarks**
- Our workshops receive an average feedback score of 9.8/10**

The Full Curriculum

Our comprehensive careers curriculum is made up of three components, delivered by InvestIN both online and in-person across one or two academic terms. Delivery can be bespoke and adapted to each school's setting, timetable and facilities.

Students complete three modules, either online or in-school, targeting employability skills development.

Students choose from one of 15 industries and attend a weekend programme, delivered by industry professionals.

Students put everything they've learnt to the test in a full-day, in-person workshop delivered by InvestIN.

One-day Workshops

Alternatively, you can book a one-day workshop from the following three options, delivered by InvestIN either in-school or hosted at our central London offices.

Students will explore 5 competitive career paths: Business & Finance, Law & Politics, Creatives, Medical Sciences, and Engineering & Computer Science.

Students will explore CV-writing, interview preparation, networking & LinkedIn and performing on work experience.

Students will be immersed in a simulated assessment centre typical of graduate recruitment today, practising in-tray exercises, group tasks, interviews, pitching & presentations.

"The feedback I received was insightful, and I now feel more confident approaching future opportunities with a greater understanding of what employers are looking for. Thank you to InvestIN for designing such a well-structured and constructive experience."

Snigdha, pupil at Dr Challoner's High School, completed the assessment centre in June 2025

Frequently Asked Questions

When is the deadline for registering?

Places on our programmes are allocated on a first-come, first-served basis so we will close registration as soon as we reach capacity. We typically close registration for our Summer Experiences a couple of months in advance.

Do I need to have any prior industry experience?

You don't need any prior knowledge or experience to attend – our industry professionals will coach you on everything you need to know!

What age brackets are permitted?

Our programmes are designed for students aged 15-18. We cannot accept any students over the age of 18. Please contact us if you are slightly below the age bracket.

How will this help me with future university or job applications?

Attending an InvestIN programme will provide you with first-hand experience of your chosen field, equipping you with a variety of examples to reference in your application and in interviews that demonstrate your commitment, passion and potential to succeed.

Will I receive any certification?

Weekend programme attendees will receive a certificate, whilst our Summer Experience (min. 2-week) students also receive an industry reference letter and can be assessed for a Level 3 Award in Work Experience to receive 8 UCAS points.

UK students can also list InvestIN under the 'extra activities' section of the UCAS application form and make reference to the experiences gained in personal statements and interviews. We are also an approved activity provider for the Gold Residential section of the Duke of Edinburgh Award.

What nationalities attend the programmes?

Our Weekend Programmes are primarily attended by UK students. However, on our Summer Experiences, around 50% of our students are native English speakers from the UK or the US, whilst the remaining 50% travel to London from a wide range of different countries. To date, we have welcomed students onto InvestIN programmes from over 100 different countries, providing students with a fantastic opportunity to network with and befriend peers from a range of different backgrounds and cultures.

What is the difference between a Weekend Programme and a Summer Experience?

Our Weekend Programmes take place during term-time and are one day in length and typically run on Sundays in November and March. They are non-residential. These programmes take place on UCL and UoL campuses and feature interactive masterclasses delivered by top professionals, career coaching and a live Q&A session.

Our Summer Experiences run during the summer holidays and provide a comprehensive, 360-degree experience of a field, featuring excursions to professional workplaces, whole days dedicated to industry specialisms, private networking and more. Residential packages are also available, including accommodation, breakfast & dinner, evening and weekend activities and 24/7 safeguarding and pastoral support.

What is the difference between a 1-week, 2-week and 2-week Premium Summer Experience?

Our Summer Experiences take place during July and August. Residential students will arrive the Sunday before the programme starts and check-out on the Saturday after the programme finishes.

Our 1-week experiences include 25 hours of contact time with professionals, fully immersive, interactive simulations to explore a range of industry specialisms, as well as up to 2 excursions to professional workplaces.

Our 2-week experiences include an additional 25 hours of contact time (50 hours total), up to a total of 5 professional site visits, private networking sessions, a graduation ceremony and an industry reference letter.

Our 2-week Premium experiences will include all of the benefits of the first and second weeks, plus an extra 15 hours of professional development coaching over the

weekend between week 1 and 2, plus exclusive evening excursions, including CV/LinkedIn masterclasses, expert university admissions coaching and a private Gala dinner with professionals. Students will automatically receive an assessment to receive a Level 3 Award in Work Experience which will equip them with 8 UCAS points to add to their applications. 2-week-only students can opt to add-on the assessment to their booking for an additional fee.

Will there be free time or days off?

Weekend programmes take place from roughly 11am-5pm with a 1 hour lunch break. Summer programme hours take place Monday-Friday, roughly 10am-5pm. Residential students will get to enjoy a range of organised social and touristic activities in London over the weekend and in the evenings, whilst non-residential students will have a break in the evenings and over the weekend. For students attending the 2-week Premium option, their weekend will feature exclusive professional development opportunities outlined above.

What learning support do you provide for students with Special Educational Needs and Disabilities?

We strive to create a supportive environment where all students who attend can gain valuable insight into their dream careers. Should you have any special educational needs or require additional assistance please reach out to our team at info@investin.org who will be happy to support you.

Do you offer payment plans?

We offer payment plans for our Summer Experiences, allowing you to pay in instalments. A £950 deposit is required to reserve your place and can be made directly on our website. Our team will then issue you an invoice for the remaining amount once the deposit has been paid.

Do you offer bursaries or scholarships?

We offer bursaries so that eligible students can attend our programmes free of charge. To apply for a bursary, students must attend one of our Partner Schools. Becoming a Partner School is a cost-free and straightforward process. Please get in touch to find out more.
