

# Tomlinscote School

17<sup>th</sup> January 2026

Dear <<ParentalAddressee>>,

**RE: Year 11 Subject Support Revision Sessions for <<ChosenName>>**

In the recent Year 11 report letter I mentioned that the school were introducing a Year 11 revision support programme for the students after school. I have attached this programme to your email. There are 61 after school sessions on offer; these sessions will be open for all students to attend, however, your child's teacher has requested that they attend the sessions below to get some extra support to improve their projected grade. I hope that you ensure that your child attends these additional sessions on the allocated days. Furthermore, some staff will be running some lunchtime sessions for students to attend; they will be informing their classes when they are taking place. All of the sessions start the week beginning 19<sup>th</sup> January 2026 and will run from 3.15pm to 4.15pm.

The targeted sessions for <<ChosenName>> are:

- <<Result:Intervention - Monday - Year 11 Spring>>
- <<Result:Intervention - Tuesday - Year 11 Spring>>
- <<Result:Intervention - Wednesday - Year 11 Spring>>
- <<Result:Intervention - Thursday - Year 11 Spring>>

There is no financial cost to parents/carers for any of these sessions. I hope this additional support proves to be useful in helping to prepare our students for their exams.

We will also be sending the February-March mock exam timetable out to you next week.

Yours sincerely,

Mr R.Major  
Principal
