

Tomlinscote School

11th September 2026

Dear Parents and Carers,

Tomlinscote Year 6 Open Evening – 24th September 2026

On Thursday 24th September 2026, Tomlinscote School has its Year 6 Open Evening. Mr Taylor will be speaking to students in assemblies, asking if anyone would like to represent the school during the evening, as either a student tour guide (Years 7, 8 & 9) or assisting in subject departments (Years 10 & 11 by invitation).

Student helpers will need to be at school for 5pm. They will require a bite to eat before coming to school, bring their own water bottle and must wear their normal uniform. The last presentation finishes at 8pm but some students will be ready to leave the site from 7.15pm.

Due to the fluid nature of the evening, we are asking that students bring their mobile phone with them so that they can get in touch with parents/carers when they are ready to leave the site. Students should bring a school bag with their Yondr pouch in it. Students will put their phone in the pouch, put the pouch in their bag and they will be stored until the students have finished for the evening.

If a student does not have a mobile phone, they will be able to contact you using their iPad (Years 8-11) or the school phone (Year 7). All students should have left the site by 8.15pm.

All student helpers must sign in and out at the Bee Hive. Please confirm leaving arrangements with your child and complete the consent form accordingly.

We understand some students might make their own way home, others might meet parents/carers at the front or back gate (Felbridge Close) and some parents/carers might wish to collect their children from a member of staff in the Bee Hive. However, we would like all Year 7 student helpers to be collected from the Bee Hive by their parent/carer. If your child is leaving via the back gate, please be aware that it will be very dark, so a phone torch will be extremely helpful.

Please be aware that parking is extremely difficult on Open Evening so it would be preferable for you to avoid coming down Tomlinscote Way to drop-off/pick-up, as it is likely you will get stuck for some time.

The KS3 students that would like to participate as a tour guide will be given some training in the lead up to the event and will be allocated a tour route to lead. All Year 7 students will be paired with a Year 8 or 9 student when taking Year 6 students and their parents/carers around the school.

I hope that your child can support the school community because I would like Year 6 students and parents/carers to see our great ambassadors.

Yours sincerely,

Mr M. Venton
Principal
