Keeping Doors open

With young people you get....

Really big highs and really big
lows. What they need is
consistency.

Long Term Kindness for
Life: Work or Study.

Present
Punctual
Meeting Deadlines
Working Hard
Communicating
Being Part of a Team
Growing Resilience

Agenda:

- Welcome from Mr Venton
- A look at the year ahead
- Key systems and processes
- Expectations

- **SLT Y7 Link – Ms H Livesey**
- Safeguarding Lead – Miss O Tolley
- Safeguarding Manager – Mrs L Fullard
- Student Support Officers – Mrs C Candappa/Mrs C Simmonds
- Behaviour Manager – Mrs N Brown
- SENDCO – Mrs G Gill

Year 7 Pastoral Team

Y7 Timeline - Autumn Term

Y7 Timeline - Spring Term

Y7 Timeline - Summer Term

Agenda:

- Welcome from Mr Venton
- A look at the year ahead
- Key systems and processes
- Expectations

Parent Guide

www.edulinkone.com

To log into EduLink through the app or website, please follow the steps below:

1. Enter the School ID (tomlin or GU168PY), tap/click Next

2. Enter the email address the school have on file for you and the password provided in your welcome letter and click/tap the 'LOG IN' button.

IMPORTANT! *Only select 'Remember me?' if you are using a private computer or device, to ensure that nobody else will be able to access your account as it contains personal information.*

The diagram illustrates the login process for Tomlinscote School. It shows two states of the login page, connected by a blue arrow indicating the flow from an empty form to a filled form.

Left Screenshot (Empty Form):

- Header: Tomlinscote School logo and name.
- Form Fields:
 - USERNAME: Empty text input field.
 - PASSWORD: Empty password input field.
 - REMEMBER ME?: Unchecked checkbox.
 - RESET LOGIN: Link.
 - LOG IN WITH: Section with a Microsoft logo.
- Buttons: LOG IN (grey) and DEMO (white).

Right Screenshot (Filled Form):

- Header: Tomlinscote School logo and name.
- Form Fields:
 - USERNAME: Filled with 'parent@email.com'.
 - PASSWORD: Filled with masked characters (dots).
 - REMEMBER ME?: Checked checkbox.
 - RESET LOGIN: Link.
 - LOG IN WITH: Section with a Microsoft logo.
- Buttons: LOG IN (orange) and DEMO (white).

If at this stage you get an error message and you are unable to log in, please contact the school on data@tomlinscoteschool.com

Desktop/tablet view:

If you have more than one child at Tomlinscote you can change between children here.

Click on setting to Log Out.

There is also a time-out function set to enhance security.

Here you can view any messages/notifications that have been sent through EduLink e.g. detention notifications.

Smartphone view:

Click on setting to Log Out.

There is also a time-out function set to enhance security.

If you have more than one child at Tomlinscote you can change between children here.

Here you can view any messages/notifications that have been sent through EduLink e.g. detention notifications.

Account info

View the details we have on record for your child(ren), including tutor group, form tutor and House. If any personal details are incorrect, you can request these be changed through your EduLink login, via the Update Information section.

Behaviour

This section allows you to view any detentions set, including date, time, and location. Further details will have been sent in messages at the time of setting.

Exams

When open, the exams section will allow you to view any exams your child(ren) have been entered for and eventually their exam timetable. This section is only relevant in the year you take an official exam.

Reports & Letters

This section will show any individual letters, certificates and reports that have been emailed home for your child. General letters will not be available here.

Forms

Occasionally, teachers may add forms for you to complete here. There will be a little red circle with a number if you have any to complete.

Timetable

This section allows you to view your child(ren)'s timetable for the next two weeks, including rooms and teachers.

Links

This section contains useful links to websites.

Update Information

This section allows you to request any updates to you and your child(ren)'s details that we have on file. Updates with then need to be approved by our admin staff before taking effect.

Home Learning

This section allows you to see the home learning that your child(ren) have been set. Please note, the system will not confirm if home learning has been completed/submitted as many pieces of home learning are not submitted through Google Classroom.

Calendar

This is the school calendar as available on the school website. A dot indicates there is an entry on that date. Tap the date to view the details. You can also add your own calendar entries which will be individual to you.

Absence Reporting

Here you can complete a short form to inform the school of any absence for your child(ren). This will then automatically be passed to our attendance officer.

Attendance

This section allows you to see your child(ren)'s attendance for AM and PM registers, including details of any sessions they may have been late or absent for.

House Points

Here you can view any House points awarded and also a total so far, this academic year.

Contacts

This section allows you to view the contact details we have on file for you.

Messages

The message section allows you to read any notifications of House points, detentions, and messages from school staff.

SPARX Maths – What is it?

- An intelligent home learning tool which links to classroom teaching, adapting to students' abilities by adjusting the difficulty and frequency of questions.
- Relies on students answering the questions accurately as it will impact future difficulty levels.
- 60 minutes of Maths Home Learning per week.
- Set on designated Home Learning days and will be due by 8pm the day before the task is reviewed in class allowing teachers to review.
- It can be completed on any device with internet connection and students have all been shown how to log in and complete a task
- Sends an email to parents if your child has not completed their weekly SPARX Maths task.
 - This can be turned off at the bottom of the email.

SPARX Maths – Our expectations

- We expect our students to:
 - Complete the SPARX task on time, even if absent (extensions will be granted for illness)
 - Attempt every question
 - Watch the support video if they're struggling (Teachers can see this)
 - Re-attempt any questions they were unsure of (Teachers can see this)
- If a student is struggling with a question – they should ask their teacher to help in class.
- Incomplete work or poor effort will result in “Home Learning not done” stamps on Edulink:
 - 2 stamps: Very little or no work completed
 - 1 stamp: Around half completed or insufficient time spent

SPARX Maths – AI Usage

- We are aware some students use AI Tools such as ChatGPT & Gauth AI to assist with their SPARX Maths
- We can detect this through time spent on certain questions
- If suspected – ie a student completes questions in an unrealistically fast time – your child's teacher will contact for support
- Whilst we recognise it can be a helpful learning aid; AI should not replace the valuable skills gained through practice and perseverance.
