Tomlinscote School

September 2026

Dear Parents / Carers,

We are delighted to inform you that Tomlinscote School is a Partner School of InvestIN, a company offering 'immersive careers experiences' and insight days for secondary school students, 15-18 years old. The programmes are described as giving students a '360 degree experience of their dream career' and are aimed at providing a unique opportunity for 15-18 year olds to explore the world of work. Students will meet top professional in that sector and experience career simulation; gaining hands on experience in carrying out tasks typically related to that professional's day to day job.

There are 15 programmes on offer, across several different career sectors. All programmes can be accessed in London, in person, at UCL. They can also be accessed as a 'live' online version, on the same date. Insight days operate during the autumn and spring terms of the academic year and always take place on a Sunday, regardless of whether they are accessed in person or online. Please see the information below and the website for full details (www.investin.org)

We have sent many students on these programmes in the last few years and their feedback is always exceptional. A key thing to highlight is that there is a charge for the programmes (in person: £195, 'live' online £165) but, as a partner school of InvestIN, the cost will be discounted by 10% by using the code **TOMLIN10** when booking. Booking is via the website here: www.investin.org

Kind regards,

Ms H Livesey
